20) I have inspected the spot on 14th May 48
along with the D C & P.M. councillor.

One section of the M.C. wants the disposal of
the said site by public auction since it is likely
to fetch nearly one lakh of rupees and the
other section wants to retain the land as it is,
for the purpose of erecting a stand.

A doubt has been raised in the petition
wherein enclosed that the land in question
does not belong to municipality -
therefore the D C Kolar may be requested
to report immediately as to whether the
said spot belongs to the municipality or not
and also his opinion in respect of disposal
of that spot by public auction as he may
know more details about it. I want these
reports from the D C very soon before I pass
final orders in the matter as this is a very
valuable site. If necessary, the D C may call for the

Petitioners -

K Venkatanarasimhiah, Pabbatni Sreerivasiah, B A, J E
Yanchi Venkataramiah Setty and other merchants and residents
of Chintamani

Honourable Sir,

That the petitioners beg to represent the following facts
and pray cancellation of sale of Vacant land situated in front of
the Shand at Chintamani

1 There is a vacant land in front of the Weekly Stand of this
town reserved for the use of Shandy where the carts allowed to
stand after loading or unloading their merchandise from the inside
of the Stand

2 That the petitioners beg to state that this land was once
proposed to be sold by public auction to encourage people who
intended to make individual properties. But the sale was cancelled
then on representation of the public to the Deputy Commissioner,
A V Pamarathar Esq, B A, who inspected the spot and conducted
a public meeting to hear the objections, and made a recommendation
to the Government. The Government was pleased to modify its orders
No 2960-61 ml 148-28-2 of 30-31 dated 19-11-30 and ordered the
cancellation of sale. This has been recorded in the municipal meeting
on 30-12-30 Vide Subject no 10 as per communication from the Deputy
commissioner Vide P R 51 of 30-31 dated 14-12-30.

3 That the petitioners beg to bring to the kind notice that the
Municipal Council with the instigation of persons who are interested
to secure the building properties, had resolved to sell the land
said above on 3.3.1947. The public of Chintamani approached the Present
Deputy Commissioner who was kind enough to pass stay orders. As the
previous correspondence and orders were not brought to his notice
the Deputy Commissioner has withdrawn the stay order and has allowed
to conduct the sale by the local official President of the Municipality
whose term will be ceased by the end of 30th June 1947. As the Deputy
Com

missioner has withdrawn the st order and the municipal Council have issued sale istihar on 21-6-47 to sell by auction on 28/6/47 The learned Deputy commisioner has no jurisdiction to pass any final orders to sell the land in question since this order is cancelled by the Government

4 That the petitioners beg to represent that the land in question which is said to be sold on 26/4/47, is not the sole property of the Municipality as the Municipality has not paid any acquisition charges. The municipality can not sell this as they have no entire right. The land belongs to the Government and is allowed for the convenience of the shandy since ~~the shandy~~ the shandy was in the hands of the Government. If the sites are sold to become individual property the shandy will lose its importance and the permanent annual income will be reduced.

5 That the petitioners beg to bring to kind notice that the publication is made only on 21-6-47 and notice of 7 days is not sufficient as the valuation of the sites will go up 50,000/- and even more if advertised in all papers and in the Mysore Gazette with a clear notification of 2 months atleast. This is all done with a view of encouraging self interested purchasers of this place ~~with out any notice~~ depriving the importance of the famous Shandy.

6 That the petitioners pray that the sale shall be cancelled in the interest of the Shandy and its (through out the state) fame after perusal of the previous records. And Pray that a stay order be passed pending the final orders.

7 As the sites in question are of more valuable and go up to Rs 50,000/- and even more, the President of the Council ~~who is not~~ official can not conduct the sale.

8 Under several reasons the present sale Istihar and the conduct of sale may kindly be stayed pending the perusal of records and previous Orders of the Government.

9 For which act of kindness that the petitioners will be highly ~~xxxx~~ grateful.

Office of the President, Municipal Council,
Chintamani. dated 27th June 1947

The Minister for Revenue & Communications,
Government of His Highness the Maharaja of Mysore,
B a n g a l o r e

Sir,

Subject: Sale of sites in front of
the Shandy at Chintamani

With reference to the stay order issued by Govern-
ment on the subject noted above, I have the honour to
submit as follows -

1 The lay out of the sites now to be sold has been
prepared by the Government Architect after spot ins-
pection by him and it is so well prepared to improve
the duty of one of the growing commercial centre

2 The site in question has been inspected by the
present Deputy Commissioner and ⁴⁵ predecessor in per-
son and all the issues arising out of it represented
in the petition of certain people of the place have
been fully examined. The Municipal Council repre-
senting the public of Chintamani have unanimously -
passed a resolution for disposing of the sites, after
full deliberation and with a view to augment the re-
sources of the Municipality. So far there is nothing
on the record to show that Government had at any time
passed an order or decision preventing the Municipality
from selling the sites. In fact when the Council
passed this resolution, most of the members now leading
the opposition were among the supporters of this pro-
position and particularly Mr V C Channaveerabhadrappe,
as the then Vice President has taken action for obtaining
the sanction to the resolution. In my opinion, I feel

thar.

that they are staging opposition only because, the sale of these sites will give scope for beautiful construction of shops at an important business centre which they feel would strike at their individual and private interests as they already own shops elsewhere in different parts of the town

Lastly I am to express that the Municipality has already spent the initial expenditure for nearly Rs 400/- towards the publication charges twice. ~~Abdya~~ ³⁴ all the time is so opportune for proper realisation out of the sale. Postponement might result in decrease of sale amount, which would ultimately be loss to the Municipal Council and not to the individuals now leading the opposition

The sales are fixed for Saturday the 28th June 1947. Wide publication has attracted bidders from outside also. The sales though in the first instance would be conducted by the President, require the confirmation of Government before the bidders would enter on them. If there were to be any flaw in the record there will be opportunity to the Government to interfere within the matter even in the last stages.

In the circumstances, I request that the stay order may kindly be vacated.

I have the honour to be,

Disposal of shop sites in front of the Shandy Bazaar at
Chintamani Town

SIR

In forwarding herewith the records received from the President Municipal Council, Chintamani with his No. C 127/48-49 dated 11th February 1949 on the subject mentioned above, I have the honour to state that Government in their letter No. L 2513 dated 10th September 1948 sanctioned the proposal of the Council to dispose of the shop sites in public auction. In pursuance of the above instructions, the President conducted the sale of these thirty sites on 10th January 1949 after wide publicity to the sale. In the sale held, the Municipal Council realised a sum of Rs. 1,30,510/- and 1/4 of the bid offered by the bidders was recovered on the date of sale.

All the sale purchasers credited the balance of 3/4th of their bid amount within a week. But the bidders of site nos. 23 and 29 viz. Sri Subbarayappa and Sri Aswathaiya respectively did not credit the remaining amount. The President forfeited the 1/4th of the bid amount deposited for these two sites owing to the default of the sale purchasers to deposit the balance of purchase money within a week, according to the terms of the sale notification and ordered the resale of the sites. These two sale purchasers have separately appealed to Government against the order of the President and Government have been pleased to stay further proceedings pending their decision regarding these two sites.

The Municipal Council at their meeting held on 31st January 1949 considered the question of confirmation of the sale of the other 28 sites and they have resolved that the sale has been regular and that the same may be recommended for confirmation by

P T O

Government, as the bid amount offered for each site exceeds Rs. 1000/-
They have further resolved that action taken by the President in forfeiting the 1/4 bid amount offered in respect of sites 23 and 24 may be approved. As the bid amount offered for each site exceeds Rs. 1000/-, I request you kindly to obtain sanction of Government for the confirmation of these 23 sites as detailed in the enclosed statement (flag A), as required under section 27 (2) of the Town Land Acquisition Act.
